Gary,

Thank you for providing this information. I just want to clarify 2 points:

- Does the spreadsheet entitled "Pods" contain only the camera installations?
- Do you prefer that we present this information generically by community or is it ok to provide the addresses contained on the spreadsheet?

Thanks again for your assistance.

Gary,

Thank you for providing this information. I just want to clarify 2 points:

- Does the spreadsheet entitled "Pods" contain only the camera installations?
- Do you prefer that we present this information generically by community or is it ok to provide the addresses contained on the spreadsheet?

Thanks again for your assistance.
Heidi
